

§ 455.6 State exemptions.

(a) If, upon application to the Commission by an appropriate State agency, the Commission determines, that—

(1) There is a State requirement in effect which applies to any transaction to which this rule applies; and

(2) That State requirement affords an overall level of protection to consumers which is as great as, or greater than, the protection afforded by this Rule; then the Commission's Rule will not be in effect in that State to the extent specified by the Commission in its determination, for as long as the State administers and enforces effectively the State requirement.

(b) Applications for exemption under subsection (a) should be directed to the Secretary of the Commission. When appropriate, proceedings will be commenced in order to make a determination described in paragraph (a) of this section, and will be conducted in accordance with subpart C of part 1 of the Commission's Rules of Practice.

§ 455.7 Severability.

The provisions of this part are separate and severable from one another. If any provision is determined to be invalid, it is the Commission's intention that the remaining provisions shall continue in effect.

PART 456—OPHTHALMIC PRACTICE RULES

Sec.

456.1 Definitions.

456.2 Separation of examination and dispensing.

456.3 Federal or State employees.

456.4 Declaration of Commission Intent.

AUTHORITY: 15 U.S.C. 57a; 5 U.S.C. 552.

SOURCE: 57 FR 18822, May 1, 1992, unless otherwise noted.

§ 456.1 Definitions.

(a) A *patient* is any person who has had an eye examination.

(b) An *eye examination* is the process of determining the refractive condition of a person's eyes or the presence of any visual anomaly by the use of objective or subjective tests.

(c) *Ophthalmic goods* are eyeglasses, or any component of eyeglasses, and contact lenses.

(d) *Ophthalmic services* are the measuring, fitting, and adjusting of ophthalmic goods subsequent to an eye examination.

(e) An *ophthalmologist* is any Doctor of Medicine or Osteopathy who performs eye examinations.

(f) An *optometrist* is any Doctor of Optometry.

(g) A *prescription* is the written specifications for lenses for eyeglasses which are derived from an eye examination, including all of the information specified by state law, if any, necessary to obtain lenses for eyeglasses.

§ 456.2 Separation of examination and dispensing.

It is an unfair act or practice for an ophthalmologist or optometrist to:

(a) Fail to provide to the patient one copy of the patient's prescription immediately after the eye examination is completed. Provided: An ophthalmologist or optometrist may refuse to give the patient a copy of the patient's prescription until the patient has paid for the eye examination, but only if that ophthalmologist or optometrist would have required immediate payment from that patient had the examination revealed that no ophthalmic goods were required;

(b) Condition the availability of an eye examination to any person on a requirement that the patient agree to purchase any ophthalmic goods from the ophthalmologist or optometrist;

(c) Charge the patient any fee in addition to the ophthalmologist's or optometrist's examination fee as a condition to releasing the prescription to the patient. Provided: An ophthalmologist or optometrist may charge an additional fee for verifying ophthalmic goods dispensed by another seller when the additional fee is imposed at the time the verification is performed; or

(d) Place on the prescription, or require the patient to sign, or deliver to the patient a form or notice waiving or
